## Largest Cruise Job Fair Ever!

*Sponsored by Viking*

Viking, Disney Cruise Line, Virgin Voyages, Princess Cruises, Cunard Line, Holland America Line and Costa Cruises are amongst the numerous leading cruise lines who will be attending the **Cruise Job Fair** in London on **Friday 7 June** at the Business Design Centre in Islington.

The Cruise Job Fairs have been running since 2014 and have gone from strength to strength, offering a unique opportunity for quality candidates and recruiters to come together in one setting. Seven job fairs are taking place throughout 2019 - in the UK, Europe and for the first time in North America.

Media agency, Webix Ltd, organises the events and Managing Director, Jay Dravecky, says: *“This year’s Cruise Job Fair in London is shaping up to be the biggest event yet with an unprecedented 18 cruise lines being directly represented, as well as six companies recruiting for the super yacht industry! It is the perfect opportunity for candidates to speak face to face with the recruiting teams, hand over their CVs in person and discuss any job opportunities.”*

Representatives from the cruise lines, concessionaires and recruitment agencies will all be in attendance and they are all looking to meet experienced and enthusiastic candidates for a wide range of positions on board cruise ships covering all departments including deck and engine, retail, spa and beauty, food and beverage, accommodation and guest services.

On the day candidates will be able to acquire everything they need to help them secure their dream job, such as advice on how to strengthen their CV and interview skills, understanding what training will be required and where to find it, if there are specific requirements for positions they are interested in and to discuss current vacancies. They will also have the opportunity to listen to a range of useful and interesting talks throughout the day and get valuable tips and advice.

Dravecky adds: *“If you would like to find work on a cruise ship, then attending a job fair will increase your chances significantly. In fact, we have seen that candidates who attend a job fair are ten times more likely to be offered a position following the fair, compared to simply applying online.”*
